

## **Toad Development Suite for Oracle Giveaway Contest Rules**

- No purchase necessary. To enter, simply download a free trial copy of the Toad development Suite for Oracle here [http://www.quest.com/Toad-Development-Suite-for-Oracle/toad\\_dev\\_suite\\_giveaway.aspx](http://www.quest.com/Toad-Development-Suite-for-Oracle/toad_dev_suite_giveaway.aspx).
- Promotion is only open to those residents of the United Kingdom. Void where prohibited by law.
- Must be 18 years of age or older to enter.
- Promotion starts on November 1, 2007 and ends on November 30, 2007. One winner will be randomly chosen from those people that downloaded a trial copy of Toad Development Suite for Oracle during the month of November.
- For purposes of this promotion, the contest shall begin at 12:00 AM GMT on November 1, 2007 and end at 11:59 PM GMT on November 30, 2007.
- Only one entry per person, per day. Duplicate entries will be discarded.
- Winners will receive one seat copy of the Toad Development Suite for Oracle, including one year maintenance. Use of the Toad Development Suite for Oracle will be in accordance with a Quest standard Software License Agreement.
- The Winner will be notified by telephone.
- The prize will be awarded by Quest Software, Inc. ("Quest") as judge and decisions of Quest will be final.
- Quest reserves the right to discontinue the contest at any time for any reason.
- Participants are bound by these Contest Rules.
- Employees of Quest and affiliates and family members are not eligible to win.
- Odds of winning will be determined by the total number of entries received.
- No substitutions or cash redemption will be made.
- Quest is not responsible for incomplete or incorrect information provided at the time of product registration and download, or for electronic or computer delays or malfunctions.
- A valid corporate email address is required to download trial software. Users of free email accounts such as Hotmail® and Yahoo® are prohibited from downloading trial software and cannot enter this promotion.
